

Scene #28: CHARLES then begins his career as a porn star and he is very successful at it. He becomes one of the most favorite porn stars in the U.S. and he is extremely happy since his sex drive and sexual thirst have been finally satisfied.

Scene #29: Four and a half years have passed and CHARLES has already earned a big chunk of money by now. He's living very comfortably and he's enjoying his life at the fullest. Yet, one day CHARLES realizes that he wants more than just sex in his life. He feels the need to experience true love.

CHARLES thinking in his head while in his new apartment: I wonder what it'd be like to be in love with someone and get married. I wish could have a special girl that would love me as much as I'd love her. How could I ever find my dream girl?

Scene #30: CHARLES starts going out to blind dates as well as speed dates. But every time he mentions his profession, the girls give him a funny look and discriminate against him. Feeling so judged by society, CHARLES recalls the article he had read on the internet the same day he started to apply for jobs as a porn star. The article specifically mentioned that one of the negative aspects of being a porn star is that the general public treats them as if they were not part of society, making them feel like outcasts. In addition to this, the article said that porn stars are often judged when they're seen in public.

CHARLES thinking in his head: Wow! I sure can't tell women the truth about what I do for a living. What am I going to do if I ever retire from porn? Will I ever get laid if girls find out about my past? Will I ever get married?

Scene #31: CHARLES chooses to call a fellow porn star friend he had made during one of his shootings.

CHARLES: Hey Tom, how's it going?

Tom: Hey CHARLES, I'm doing really well actually.... I just finished making a movie. It's been a while since I've heard from you. How you've been?

CHARLES: Not as well as you are, that's for sure. I'm kind of having trouble getting girls to like me these days. As soon as I tell them about my profession, they just reject me right away.
