

MINDY gives her brother an angry look because of the embarrassment he had just caused her with CHARLES.

MINDY to her PARENTS: So as I was saying he's a very smart and interesting guy.

KYLE starts playing with his android phone and quickly downloads a porn movie where CHARLES stars in.

KYLE: hehe hehe! He's a pornstar! hehe hehe!

MINDY, HER MOM AND DAD: SHUT UP KYLE!

JIM to KYLE: You're grounded. Now go to your room!!!!

Before KYLE gets up to go to his room, he makes sure to lift his phone up in the air and show everybody the adult video that he has just downloaded. Everybody gets shocked. Even CHARLES himself cannot believe what had just happened.

MINDY's DAD stands up and says to CHARLES: That's it! You sir, get out of my house right now! You're never to set foot on my property ever again!

CHARLES stands up real quick and begins to walk toward the front door to exit the house. MINDY and her mom stand up and stared at him with disgust and disappointment. CHARLES has no choice but to leave the house even though he truly loves this one girl. But before he steps outside the house, he says two last sentences to MINDY.

CHARLES: I don't know what to say. I'm deeply sorry.

When CHARLES gets out of the house MINDY becomes very angry and approaches the doorway to end their 5 month relationship right there.

MINDY: How could you have done this to me?

CHARLES: Can I please explain?

MINDY: Explain what?...That you lied to me, you disgusting son of a bitch. You're the most horrible man I've ever known in my life. We're through! Go to hell!

MINDY shuts the door abruptly and CHARLES has no choice but to leave.
