

Scene #39: Despite of CHARLES' efforts to call MINDY over and over again, she doesn't answer his phone calls.

Scene #40: Three weeks go by and he decides to go to the high school where she works as a teacher. Once CHARLES arrives at the high school, he starts looking for the classroom where she's at. With a set of flowers in his hand, CHARLES abruptly goes into several classrooms by mistake until he finally finds her while she's giving a lecture. All of the sudden, the energy of the classroom drops and everyone in it becomes still and silent.

MINDY: What in the world are you doing here? Do you want me to call security?

CHARLES: I really need to talk to you and explain what happened.

MINDY: You can't do that in front of my students!

CHARLES: I have no choice but to do it right here right now. You don't answer my phone calls anymore.

MINDY: I'm in the middle of an important class if you haven't noticed yet so you'd better make it quick.

Some students in the back recognize CHARLES from his adult films and they start giggling. They also make sure to let the rest of their classmates know in a very low voice that their teacher's boyfriend is a porn star.

CHARLES: Here's the deal MINDY. Society tends to discriminate against people who work at the adult industry. And people think we're not humans with real emotions like everyone else. This is exactly why I never told you the truth about my job. I knew that if I told you about my profession that you would freak out and reject me right away.

MINDY: You're damn right about that! I sure wouldn't have dated someone like you in the first place.
