

**Scene #6:** On his way home, CHARLES passes by the house with the back yard pool where its owner is usually playing with his astonishing four girlfriends. This particular time though CHARLES doesn't react angrily as he often does. Instead, he smiles and feels hopeful that his prayers had probably just been answered.

**Scene #7:** As soon as he arrives at his bedroom, CHARLES checks his e-mail again to see the authenticity of it. He doesn't believe his eyes when he reads that he actually has a 10am audition in three weeks at an adult film company headquarters in L.A. The only problem being that CHARLES lives somewhere in Michigan and he doesn't have the money for the plane ticket that would get him to L.A.

CHARLES knows he has three weeks left to find the money so he thinks of the craziest of ways to make the exact amount for the trip.

**Scene #8:** CHARLES goes to a supermarket and offers his service to help customers carry their grocery bags to their cars.

**Scene #9:** CHARLES goes to a bank to apply for a night-shift security guard job offer.

**Scene#10:** CHARLES also applies for the craziest of other jobs available during this three week period just to make the money to go to L.A.

**Scene #11:** When the day finally comes, CHARLES goes on his plane ride feeling extremely happy, anxious and excited about his dream finally coming true.

**Scene #12:** When CHARLES arrives at the hotel in L.A., he realizes that the money he made back home would only last him no longer than a few days. This makes him very scared because he wanted to have enough time to show the adult film company that he does have what it takes to be a porn star.

**Scene #13:** The next day on his way to the audition CHARLES actually gets lost and has to go through an ordeal just to get to the adult company's headquarters. When the receptionist calls CHARLES' name, he is nowhere to be found. The girl calls his name another three times and he doesn't appear anywhere. But as soon as this receptionist lifts up the phone to let the casting director know that CHARLES didn't come, CHARLES finally appears out of nowhere. He arrives at the office sweating like crazy and filled with exhaustion from all the running and turmoil he had just gone through to get there.
