

CHARLES thinking in his head: I almost didn't make it. I hope they forgive me for being 5 minutes late. This is actually my only shot at this. I have to do my best to get the part in this movie.

THE RECEPTIONIST: Mr. CHARLES, the Casting Director has been expecting you in his office for the past five minutes. You should come in now.

CHARLES goes inside the Casting Director's office.

Scene #14:

Casting Director: So you're from Michigan huh?

CHARLES: Yes sir, I am

C.D.: Are there a lot of cute girls over there?

CHARLES: Yes, pretty much so

C.D.: So tell me. Do you have a girlfriend?

CHARLES: No sir, I kind of suck in the love department.

C.D.: So what makes you think that you have a shot at this if you can't even get girls to like you?

CHARLES: I understand what you're saying sir, but at the same time I feel I could do a far better job than most male porn stars because of the fact that I've been sexually frustrated all my life.

C.D.: That's a good point. You're kind of a smart ass aren't you? Are you bullshitting me?

CHARLES: No sir, I'm not. I'm actually very serious about this job. I can't really tell you how much I've been dreaming about having this opportunity.

C.D.: Well kid, you got the part!

CHARLES: Thank you so much sir, I promise I'll do my best to not let you down.

C.D.: Alright, just come tomorrow at 2 in the afternoon. We're going to test your skills on the sack. I just want to make sure you're not some fraud and by fraud I mean a premature ejaculator.

CHARLES: Well thank you very much sir. I'll be here at 2pm sharp. I'm very grateful about this opportunity. Thanks again.
