

CHARLES: What happened?

F.D.: You're not supposed to stand there. Don't you read your scripts?

CHARLES: Sorry, I was never given any scripts.

F.D.: JUST MOVE! I'm shooting a solo with the girl first.

CHARLES: Ok I'm sorry.

C.D. to F.D.: Be easy on the kid. It's his first time.

The Film Director starts smiling in a mocking way.

Scene #21: The girl gets in front of the camera and the Film Director starts shooting her while she undresses and plays with herself for 15 minutes straight.

Scene #22:

F.D. to CHARLES: Ok big shot. It's your turn to come in the scene now.

CHARLES comes in front of the camera and completely blocks the view of the girl from the shot.

F.D.: CUT!!!!!!!!!!!!!!!!!!!!!! Dude c'mon don't you know you can't block the girl from the shot. Go back to your first position and start all over again.

CHARLES returns to his first position and he waits for the Film Director to say ACTION but the F.D. remains quiet since it is clearly obvious that CHARLES should start the scene at any given moment.

F.D.: CUT!!!!!!!!!!!!!!!!!!!!!! Man what the hell is your problem? What the hell are you waiting for? Are you fucking with me? Trust me I'm the last person in your life you want to see mad at you.

CHARLES: I'm very sorry sir. I apologize. I thought you were going to say ACTION or something like that.

The C.D. and the F.D. start laughing hilariously because they are just playing a prank on this new kid.

F.D.: Dude, I'm messing with you. Of course you've got to wait until I say ACTION. You're fine. Just go back to your first position.

F.D.: Ok ACTION!
