

Scene #23: CHARLES starts approaching the girl and he starts kissing her gently. A few seconds later, he gains enough confidence to make out with her. In doing this, he realizes how awesome it feels to finally be able to taste a girl's lips for the first time. He then proceeds to place his fingers down her private parts and he starts to stimulate her clitoris. Then he slowly starts kissing her breasts, then her stomach until he finally goes down on her. CHARLES actually spends 45 minutes straight giving this girl oral sex. The Film Director already tired of the same shot commands CHARLES to carry on penetrating the girl with his penis. CHARLES proceeds very eagerly, but 5 minutes into the shot he feels the need to cum. He takes his penis out of the girl's privates in the hope that this could help him not ejaculate right away. Despite his efforts, CHARLES could not hold his cum when pulling out so he ended up ejaculating on the girl's legs.

Scene #24:

F.D.: What in the world dude? Do you really have to cum now??????? Seriously?????????

CHARLES: Sir, I'm so very sorry but the problem is that this is the first time I've had sex in a long time. I promise that if you give me 5 minutes, I'll be ready to perform again.

F.D.: Kid I'm being serious now. I have a replacement guy in case this sort of shit happens. So if you don't pull it together in 5 minutes, you're out. I'll count the god damn 5 minutes myself.

CHARLES: Ok sir, I just want you to know that I'm very thankful for this opportunity and I promise I won't fail you again.

F.D.: Promises, Promises, Promises. I got a word of advice for you, kid. Actions speak louder than words....And by the way; you've got one minute left!

CHARLES nodded his head and he began executing the scene perfectly this time. He did absolutely every position required by the Film Director and the girl was extremely satisfied with CHARLES' overall performance in bed.

Scene #25: The shooting ends. The Film Director and everyone on the set are very happy with the results.

F.D.: Good job kid. I didn't think you had it in you. But you seem to have a lot of potential. I hope I can see you again tomorrow so I can introduce you to some of my colleagues.

CHARLES: Thank you so much for everything sir. I can't wait to work with you again.
